Insurance Policy

HKMB HUB is the insurance broker responsible for arranging the insurance program for Ontario Soccer and its members.

All Royal York FC (RYFC) registered members (players, coaches, managers, referees) are covered through the Ontario Soccer Insurance Program if they suffer a covered injury while participating in an Ontario Soccer sanctioned activity. This Ontario Soccer accident insurance is meant for members who do not have access to another health insurance plan or to supplement existing health insurances; it is not meant to be a "primary payer".

If injured, you should complete an Accident Claim form; this claim form also has to be signed by the attending physician as well as a signing officer of Royal York FC and should then be forwarded to Chubb Life Insurance Company of Canada, as per instructions on the claim form.

For more detailed information, please click on the links below or contact our Front Office at contact@royalyorkfc.com.
